Why do we need this?

Your phone and email are not required to be shown on the petition by law. We will remove this section before submitting the petition for vetting.

We will only use this contact information in relation to the plebiscite. For example, your phone and email will allow us to contact you if we need to verify any information you provided or to ascertain that you are on the appropriate voter's list.

We may provide periodic updates about the Our Crowns signature drive or the eventual plebiscite campaign. If we contact you for these purposes, you will be provided with an opportunity to opt-out of further contact from us.

If you have any questions, phone us at 306-384-2000 or send us an email ourcrowns2017@sasktel.net

Instructions to Canvassers:

Each person who signs must also print the date, their name and provide an address. If not provided, their signature will not be counted.

Everyone who signs must read the upper portion of the petition. By signing, they are declaring they are legally eligible to do so.

Do not collect signatures on a blank page. Signatures must always be on a page with the actual petition question. Copies of the original petition can be made. Print these in landscape on letter size paper (8X11). Note that there are two pages to be copied. Print single-sided.

When you have filled a page with signatures, please mail the original to the following address:

Our Crowns 2017, p/o Box 2071, Saskatoon SK, S7K 3S7.

We must have the original signed petition, or the signatures will not be counted.

Thanks for helping with this very important work!
